

WAYNE M. FOGELL

Reno, NV 89511 – (775) 419-8097 – wfogell@gmail.com

User Experience (UX) Designer

As a User Experience (UX) Designer for multiple device user interfaces and applications, I am motivated to create human-centered, data-driven design solutions and customer loyalty.

Summary of Qualifications

- Experienced with Figma, Sketch, XD, Axure, Photoshop, Illustrator, and Adobe CC.
- Experienced with mobile UI design kits for Google/Android Material Design, Apple iOS, and Windows 11, and with branding style guides.
- Experience designing user-centered interfaces, assets, layouts, wireframes, mockups, interactive prototypes, site maps, information architecture and responsive web design.
- Experienced with industry standard wireframing, mockup and prototyping tools, such as Axure, Adobe Experience Design (XD), After Effects, Balsamiq, Crystal, Dreamweaver, Figma, Fireworks, Flinto, Illustrator, InDesign, InVision, Jira, Keynote, Miro, Mirror, Mural, OmniGraffle, Photoshop, MS Powerpoint, Proto.io, Sketch, UXPin, Visio, Zeplin, Zeroheight, as well as HTML, CSS and JavaScript.
- Effective communicator with all stakeholders in the development process.

Professional History

FDM USER EXPERIENCE

2015 – present

User centered design, usability and user experience.

UX/UI Designer

- Designed and branded interactive prototypes of Jobflash.com's software application for prospective customers.
- Implemented the original user interface for cfares.com in collaboration with marketing professionals and backend programmers translating design mock-ups and front-end requirements into code.
- Designed multiple mockups for Satellite Healthcare's intranet for corporate employees.
- Mobile web experience with the Apple iOS, Android and Opera SDKs and simulators.
- Designed, developed and implemented user interfaces and web sites for corporate, professional and business use with industry standard wireframing, prototyping and web authoring tools, as well as hand-coded HTML, CSS and Javascript.
- Helped increase profits for Silicon Valley businesses through effective marketing and advertising campaigns.
